

Canon 2050C001 ink cartridge

Artikel	101116
Herstellernummer	2050C001
EAN	4549292087024
Canon	

This 8.3ml high yield magenta ink is used for printing high quality documents and photos. It has a larger tank capacity meaning better value and twice the amount of printing compared to the standard equivalent. Combined with Canon's photo paper it protects your images from fading using the ChromaLife100 system, print up to 225 photos with magenta XL cartridge at ISO/IEC 29102¹ standard.
