Intenso	

EXTERNAL SSD PREMIUM EDITION

Experience fastest backup in a small format! With the external SSD Premium by Intenso you can save data like photos or videos in the shortest time possible. Thanks to the USB 3.2 Gen 1x1 interface, even large amounts of data can be transferred with up to 320 MB/s. Either at home or on the road, the SSD is always the perfect companion. Thanks to its compact size, it fits into every pocket.

Fast and reliable on the way

The SSD Premium Edition is not only very powerful, but also convincing optically and in mobile use. Since no moving parts are installed, vibrations cannot damage the SSD. In addition, the Solid State Core is protected by a durable and high-quality metal design.
