

G.Skill Value memory module

Artikel	106840
Herstellernummer	F4-2400C17S-8GNT
EAN	0848354027676
G.Skill	

High Performance DDR4 Memory

G.SKILL DDR4 memory is designed for the ultimate experience on the latest DDR4 platform! Whether you are processing large amounts of data or intense gaming, experience smooth system performance with the newest next-generation PC memory technology! All G.SKILL DDR4 memory kits are tested with extensive suite of testing software to ensure maximum performance and stability.

Ultra Compatibility with the latest DDR4 Systems!

G.SKILL DDR4 memory kits are validated for compatibility with most DDR4 platforms under a series of rigorous tests in quad channel memory operations. It's guaranteed to provide the best-in-class performance, compatibility, and stability with the widest range of motherboards.

Faster Transfer Speed

Starting from 2133MHz as standard frequency, DDR4 memory delivers much higher bandwidth than previous DDR memory. You can enjoy a faster computing experience for gaming, video & image editing, rendering, and other professional applications.

More Power Efficient

Designed with a low voltage of 1.2V at DDR4 standard, this lowers the memory voltage requirement by 20% from DDR3 memory kits! Now your system can perform even faster without becoming an expensive appliance heater.

Limited Lifetime Warranty

All G.SKILL memory products come with a limited lifetime warranty and the G.SKILL technical team is always ready to provide consumers with complete technical support via online forum, Facebook, telephone, and email.

G.Skill Value, 8 GB, 1 x 8 GB, DDR4, 2400 MHz

G.Skill Value. Component for: PC/Server, Internal memory: 8 GB, Memory layout (modules x size): 1 x 8 GB, Internal memory type: DDR4, Memory clock speed: 2400 MHz, CAS latency: 17

Merkmale

Logistics data

Harmonized System (HS) code 84733020

Features

Buffered memory type	Unregistered (unbuffered)
CAS latency	17
Internal memory	8 GB
Memory layout (modules x size)	1 x 8 GB
Internal memory type	DDR4
Memory clock speed	2400 MHz
Component for	PC/Server
ECC	No
Memory channels	Single-channel
Memory voltage	1.2 V
SPD profile	Yes
SPD voltage	1.2 V
SPD latency	39
SPD speed	2400 MHz

Preisänderungen und Irrtümer vorbehalten. Alle Produkte solange der Vorrat reicht.
