Grab a Crayon and let the fun begin! Logitech Crayon is a pixel-precise digital pencil for all iPads (2018 release and later) that unleashes your creativity in hundreds of Apple Pencil® supported apps. Crayon uses Apple Pencil technology for a seamless writing experience that's as natural as pencil and paper.

Palm rejection technology allows you to rest your hand right on the screen while you write. Need a thicker or thinner line? Just tilt. Logitech Crayon is built tough with 4 ft drop protection, a unique roll-proof shape, and up to 7.5 hours of active writing time.
