LogiLink BP0049 monitor mount accessory

Artikel	122358
Herstellernummer	BP0049
EAN	4052792046540
LogiLink	

The universal media mount features the easiest way to have a clean and versatile setup to media players. Its adjustable design is compatible with a wide range of media players, hard drives, cable and satellite boxes. The wall mounting option frees up more space on your tabletop and due to its open construction it provides easy access to power button, output jacks, and cables on either side. No more concern about the spilling of your media box, the elastic cord firmly holds your equipment.

- Easy mounting option for media players, hard drives, cable, satellite boxes,...
- Material: Steel
- Mouting: Wall, 4 mounting holes
- Adjustable depth: 32–46 mm
- Carrying capacity: Max. 1 kg
- Easy access to power button, output jacks,...
