

Samsung MUF-128AB USB flash drive

Artikel	122923
Herstellernummer	MUF-128AB/APC
EAN	8801643233556
Samsung	

More space. Small size.

The compact way to add big space. Plug in the FIT Plus to get secondary, upgraded storage for your devices, then leave it in to easily carry more files wherever you go. It stays out of your way and is so quick it keeps files at the ready, all with USB 3.1 speeds and trusted reliability.

Store more. Leave it in.

Extra storage that's always with you. The FIT Plus gives portability in a minimal profile, and is designed to seamlessly stay in your device, always ready for use. Keep it in laptops, smart TVs, and cars with reduced risk of accidental bumps or removal.

Quick. And ready.

Save time, add space. Quick and convenient read speeds up to 300 MB/s with the latest USB 3.1 standard ensure transferring data never slows you down. Send a 3GB 4K UHD video file from your FIT Plus to your PC in just 10 seconds. Keep more movies, games and music within reach.

Tough & Trusted

Files stay secure, anywhere you go. Samsung's leadership in flash memory makes the FIT Plus a trustworthy drive to store your valuable data. It works through it all with a waterproof, shock-proof, temperature-proof, magnet-proof, and X-ray-proof body.
