

Kingston Technology DataTraveler Max USB flash drive

Artikel	127221
Herstellernummer	DTMAXA/512GB
EAN	0740617328332
Kingston Technology	

Kingston's DataTraveler® Max series USB flash drives leverage the latest USB 3.2 Gen 2 standard to deliver record-breaking read/write speeds up to 1,000/900MB/s¹. Designed with portability and convenience in mind, the unique ridged casing protects the connector when not in use and is easily moved with a single motion. Available in USB Type-C®2 and Type-A connections to support next-gen and traditional laptops and desktops. The DT Max series delivers premium performance and expanded capacities up to 1TB3 making them the ideal solution for transferring and storing large digital files such as HD photos, 4K/8K videos, music and more.

Latest USB 3.2 Gen 2 Standard

Move your files in a flash with incredible speeds up to 1,000MB/s Read, 900MB/s Write.

Uncompromised Storage

Available in a range of high capacities from 256GB-1TB3 to carry your digital library on the go.

Dual Option for Connectivity

USB Type-C® and Type-A connector varieties to support next-gen and traditional laptops or desktops for seamless file transfers.

Unique Design

Convenient one-handed sliding cap, LED status indicator, and functional keyring loop.
