

Logitech Signature MK650 Combo For Business keyboard

Artikel	127378
Herstellernummer	920-010994
EAN	5099206105140
Logitech	

The Signature MK650 for Business. An easy-to-deploy mouse that improves productivity 50% over a laptop touchpad¹. With two ways to connect, it is more compatible than most peripheral brands on the market. When paired via a Logi Bolt USB receiver, it provides Secure Connections Only Mode Bluetooth Low Energy Security Mode 1, Level 4 protection. Or connect directly via Bluetooth Low Energy when cross-platform flexibility matters. Its SmartWheel auto-switches from line-by-line precision to free-spin, and has customizable buttons. It's also 90% less "clicky" thanks to SilentTouch technology. It takes 25% less forearm muscle effort than using a laptop touchpad. That's less fatigue and discomfort. It also has a contoured shape and soft thumb area. Secure, comfortable, versatile, compatible—it improves employee experience and productivity.

THE UPGRADE EVERYONE DESERVES

- ENTERPRISE-GRADE SECURITY - Logi Bolt delivers cross-platform compatibility and robust connections—even in congested wireless environments. Fully encrypted and FIPS secure when paired with a Logi Bolt USB receiver.
- TWO WAYS TO CONNECT - Choose between Logi Bolt secure USB receiver or Bluetooth Low Energy wireless technology
- NEXT-LEVEL COMPATIBILITY - Logi Bolt works with just about every operating system and platform
- PLUG-AND-PLAY CONVENIENCE - Pair up to six Logi Bolt wireless mice and keyboard to a single Logi Bolt USB receiver
- GIVE YOURSELF OPTIONS - Streamline repetitive tasks on your Logi Bolt mouse or keyboard with Logi Options+ software
- THE WIRELESS COMBO EVERYONE DESERVES - The Signature MK650 Combo for Business is an easy way to improve productivity and comfort. Enjoy smooth, solid keystrokes with a soft palm rest. Or power through work with super-fast scrolling.
- VERSATILE COMPATIBILITY - The Signature MK650 Combo for Business works with every major enterprise OS and business app—across desktops, laptops, and tablets for seamless deployment and greater IT peace of mind.
- SMARTWHEEL - Get line-by-line precision for documents – and super fast scrolling for long web pages. Automatically switch modes with the flick of your finger.
- COMFORT, UPGRADED - Its contoured shape, soft thumb area and rubber side grips were created to improve comfort. Plus, mouse users experience 25% less muscle activity in the forearms than touchpad users.
- HARDWORKING DESIGN - This combo is engineered to keep up with a demanding workflow. Shortcut keys for efficiency, a spill-resistant keyboard, and long battery life on both the mouse and keyboard, keeps the work going.
- BETTER COMPATIBILITY - GREATER PEACE OF MIND - The Signature MK650 Combo for Business is compatible with every major operating system and platform, so it's easy to deploy and manage in a multi-platform environment.
- PRODUCTIVITY X TWO
- ENGINEERED FOR OUTPUT - The full-size keyboard includes a numpad and pre-programmed F-Keys to streamline work. And the versatile mouse features a SmartWheel for efficient scrolling with line-by-line control.
