## **SMALL BUT MIGHTY**

Get work done anywhere with this small portable mouse. The size of M325S makes it great for users with smaller hands—including kids—or limited workspaces. The micro-precise scrolling and tilt wheel provide you the speed and accuracy you need. Easy-to-use and compatible with all of the main OS, it's ready to work in seconds and lasts up to 18 months without changing batteries.

## **COMFORTABLE SHAPE, COMPACT DESIGN**

Stay productive longer thanks to the comfortable, contoured shape that follows the natural curve of your hand. Compact and wireless, M325S fits easily with your laptop in a bag—making it great for working on the go and homeschooling. It's also designed for both right- and left-handed users, allowing you to switch the left and right click via Logitech Options Software.

## **FAST SCROLLING, PRECISE TRACKING**

Our micro-precise scrolling and tilt wheel give you the speed and precision you need to breeze through long pages, websites, links, spreadsheets, and images. Customize the tilt action to perform horizontal scroll, forward/backward, and more through Logitech Options.

## **PLUG & PLAY SIMPLICITY**

M325S is compatible with most OS—Windows®, macOS®, Linux® and is also a certified Works with Chromebook™ Product- Simply plug the USB receiver into your computer to start working in seconds and get a strong, reliable connection within up to 10 meters (33 feet).

## **INCREASED PRODUCTIVITY**

Get more done by combining M325S with your laptop. According to a recent study, laptop users who chose this mouse over a touchpad were 50% more productive and worked 30% faster.+

## **QUALITY YOU CAN RELY ON**

The mouse is built with the same high quality standards that have made Logitech the global leader for mice and keyboards. Durable and reliable, M325S also works up to 18 months without changing batteries thanks to the on/off switch button and auto-sleep power-saving mode.

## **EASY CLEANABILITY**

Designed & tested to withstand cleaning and disinfecting after each use, supporting safe, long-term, shared use.

## **RUGGED DURABILITY**

Our education products are drop-tested to withstand falls from standard school desk heights.

## **Zusammenfassung**
