INNOVATIVE MULTIFORM PRODUCT PORTFOLIO

CHOOSE THE BEST ONE FOR EACH SCENARIO

NOISE-FREE CALLING

When you talk, the world will catch every word.

4-MIC BEAMFORMING NOISE CANCELLATION

Cancel 90% of Background Noise

When you're on the run and making calls, ignore background noise.

Yealink BH71 eliminates 90% of background noise from your end of the call by applying 4-Mic array beamforming noise cancellation. So you'll sound crystal clear whether you're traversing busy metropolitan streets or are surrounded by raucous crowds.

Wherever you are, you will sound fantastic.

Free to Move and Talk

Free to continue the conversation away from your mobile phone* with a wireless range of up to 100 meters (100 feet/30m) of Yealink BH71. Easily do your tasks without carrying your devices everywhere and stay connected wirelessly.

EASY CARRYING

From one place to another, from the first second to the last.

Not a Day, But a Week

Are you worried about staying connected throughout the day and anxious about charging in traveling? Yealink BH71 Series rewrite the battery efficiency of a lightweight headset with 10 hours of performance by the earpiece and extra 20 hours of battery life with the power box.

It's time to pick a headset that facilitates continuous talking.

*Extra 20hs of powering box is included

*Only BH71 Pro and BH71 Workstation Pro contain the charging case

Small & Portable for Anywhere

Light to less than 100g, as small as a piece of chocolate, the BH71 series is easy to take with no burden compared with traditional business headsets.

Anytime when you need to go, just take it, and go.

BEST-TAILORED COMFORT

Perfect fit, like nothing in your ear

Feel Like Nothing

What will be the best comfort of a headset?

Yealink BH71 answers: when you wear it, you feel like wearing nothing.

Adjustable ear hook for a perfect fit, ultra-light 18g design for zero pressure wearing experience contributes to extreme comfort never before.

PRO-LIKE COLLABORATION

A headset, more than a headset

Redefine Your Workspace

The Yealink BH71 UC Workstation is more than a single base; it eases the management of business communication demands and other USB devices. It also delivers excellent flexibility with integrated features to facilitate your daily routine. It is professional, collaborative, and available.

UC Certified, Users Satisfied

Universally compatible with typical calling applications across almost all platforms and operating systems, Yealink Headsets are ready for your business and professional communication from the moment you start with them.

Customize Your Headset

Yealink USB Connect is available to manage multiple Yealink USB devices, including headsets, speakerphones, and webcams. All the settings can be done through Yealink USB Connect on mobile or PC, including the setting of the primary and premium functions, which is convenient and efficient for both organizations and individuals in daily use.
