Fractal Design Terra

Terra is a PC case designed and engineered to reshape the small form factor gaming experience. Inspired by the homes of modern gamers, Terra incorporates boutique design features such as thick panels cut from anodized aluminum, CNC-milled details and FSC-certified solid walnut. Inside, it includes a PCIe 4.0 riser cable and features a stepless slidable central wall for build flexibility, providing space for a powerful GPU up to 322 mm in length.

Crafted to elevate
Designed and engineered to enhance small form factor gaming

Elegantly crafted
- Add natural materials to your setup with a front-facing panel cut from FSC-certified solid walnut
- Enjoy a sleek anodized aluminum exterior including an 8 mm-thick aluminum front
- Make the most of natural airflow through the ventilated top, side and bottom panels

Engineered for SFF gaming
- Experience powerful, uncluttered gaming, with the ability to install a GPU up to 322 mm long in a space-saving 10.4 L case
- Get a head start on your build with the included PCIe 4.0 riser cable
- Store up to two SSDs in the dedicated 2.5" drive mounts

Easily accessible
Slide open the top with an integrated tab and lift open the fully removable side panels for easy access to your components

Choose your accent
The Terra is available in your choice of three distinct anodized aluminum versions to perfectly complement and elevate your gaming space

Adjustable motherboard plate
Find your build's ideal balance with 30 mm of internal flexibility provided by a stepless, movable central wall

Slide to strike the best ratio for your build, adapting the space for CPU cooling on one side and graphics card width on the other

Front-facing I/O
The solid walnut front panel features an aluminum power button and two USB ports for connecting devices, including one USB Type-C 20Gbps

Natural material
Enjoy a naturally unique finish, with an individual front panel cut from solid walnut.

Highly transportable
Features the ability to lock the top and side panels for safer transportation of your build

Fractal Design Terra , Small Form Factor (SFF), PC, Green, Mini-ITX, Aluminium, Walnut, 7.7 cm

Fractal Design Terra . Form factor: Small Form Factor (SFF), Type: PC, Product colour: Green. Supported power supply form factors: SFX, SFX-L. Bottom fans diameters supported: 120 mm, Side radiator sizes supported: 120 mm. Supported HDD sizes: 2.5", SSD form factor: 2.5". Width: 153 mm, Depth: 343 mm, Height: 218 mm

Merkmale

Other features

Volume	10.4 L

Packaging content

Manual	Yes

Packaging data

Package width	215 mm
Package depth	394 mm
Package height	292 mm
Package weight	4 kg

Weight & dimensions

Ports & interfaces

USB 3.2 Gen 1 (3.1 Gen 1) Type-A ports quantity	1
USB Type-C ports quantity	1

Power supply

Power supply included	No
Supported power supply form factors	SFX, SFX-L

Storage

Supported HDD sizes	2.5"
SSD form factor	2.5"

Width	153 mm
Depth	343 mm
Height	218 mm
Weight	3.1 kg

Cooling

Number of bottom fans supported (max)	1
Bottom fans diameters supported	120 mm
Front radiator installed	No
Side radiator sizes supported	120 mm
Rear radiator installed	No
Top radiator installed	No

Design

Material	Aluminium, Walnut
Form factor	Small Form Factor (SFF)
Type	PC
Product colour	Green
Supported motherboard form factors	Mini-ITX
Number of 2.5" bays	2
Number of expansion slots	3
Side window	No
Illumination	No
Anti-dust filter	No
On/off button	Yes
Maximum CPU cooler height	7.7 cm
Maximum graphics card length	32.2 cm
Maximum PSU length	13 cm
