Razer	

FULL SPECTRUM CUSTOMIZABILITY

Create, control, and champion your playstyle with the new Razer Basilisk V3—the quintessential ergonomic gaming mouse for customized performance. With 10+1 programmable buttons, an intelligent scroll wheel, and a heavy dose of Razer Chroma™ RGB, it's time to light up the competition your way.

PLAY IT YOUR WAY. LIKE NEVER BEFORE.

10+1 PROGRAMMABLE BUTTONS

Assign all your macros and secondary functions across 11 easy-access buttons—including its acclaimed multi-function trigger—to execute essential actions like push-to-talk, ping, and more.

HIGH PROFILE PERFORMANCE.

Seamlessly switch between any of your custom button profiles via a programmable button underneath the mouse for optimized performance with every game and task.

PERFECTING SCROLLING.

RAZER™ HYPERSCROLL TILT WHEEL.

Our latest scroll wheel innovation offers a new level of functionality you can definitely put a finger on. Offering two types of scrolling for more flexibility, it can also toggle automatically between them for truly seamless use thanks to a cutting-edge intelligent function.

TACTILE CYCLING MODE

For high-precision and distinct notched scrolling ideal for cycling through weapons or skills.

SMART-REEL MODE

Enabled via Razer Synapse, the scroll wheel automatically shifts from tactile to free-spin mode when you scroll faster.

FREE-SPIN SCROLLING MODE

For smooth, high-speed scrolling perfect for covering content quickly or emulating repeated game commands.

VIRTUAL ACCELERATION

By turning on this Razer Synapse feature, you'll be able to increase the mouse's scroll speed the faster you scroll, allowing you to navigate through lengthy documents and articles at an even quicker rate.

4-WAY SCROLLING.

The Razer™ HyperScroll Tilt Wheel's clear design direction gives this customizable gaming mouse an added dimension of scroll movement and input.

RGB THAT'S OFF THE CHARTS.

11 RAZER™ CHROMA RGB LIGHTING ZONES.

Bask in the Razer Basilisk V3's glory as you customize each zone from over 16.8 million colors and countless lighting effects, all

while it reacts dynamically with over 150 Chroma-integrated games.

**POWER BEYOND LOGIC.
DOWN TO EVERY LAST DETAIL.**

**RAZER™ OPTICAL
MOUSE SWITCHES GEN-2**

With switches that clock in at a blistering 0.2ms actuation speed for up to 70 million clicks, you can expect nothing but crisp, responsive execution with zero misclicks.

**RAZER™ FOCUS+ 26K DPI
OPTICAL SENSOR**

Enjoy responsive, pixel-precise aim with an improved sensor that flawlessly tracks your movement with zero spinouts.

ICONIC ERGONOMIC DESIGN WITH THUMB REST

Favored by millions worldwide, the mouse's ergonomic form factor perfectly supports your hand while its buttons are optimally positioned for quick and easy access.

5 ON-BOARD MEMORY PROFILES

Be ready to compete anywhere with access to your custom keybinds, DPI, and twice the inputs via the Razer HyperShift function.

100% PTFE MOUSE FEET

This customizable gaming mouse glides smoothly across any surface with mouse feet made from the purest, highest grade of PTFE.

#GOGREENWITHRAZER

This product has been awarded the UL ECOLOGO® and manufactured with product life cycle thinking in mind—minimizing environmental impact at every step of its journey.

EASE OF DISASSEMBLY

Disassembly and repair references are appropriate to the standard

MANAGEMENT OF MATERIALS

Complies with EU restricted substance regulations

DERMAL BIOCOMPATIBILITY

Evaluated for skin sensitization

RESPONSIBLE MANUFACTURING

Manufactured in facilities committed to environmentally responsible management as evidenced by certification to ISO 14001

ENVIRONMENTALLY PREFERRED PACKAGING

Product uses FSC-certified and sustainable soy-ink printing packaging

TRANSPARENCY

Disclosure of sustainability reporting and policies

RECYCLING PROGRAM

Recycling program and partners are appropriate to standard
