The Brother TN2010 Black Toner Cartridge. Prints 1,000 pages.

You can count on the Brother TN2010 when it comes to speed and reliability. Choose the dependable TN2010 toner to guarantee your prints are delivered quickly and in perfect clarity, from the first, to the last time you print.

As you use black ink more than your coloured cartridges, you may find that you need to replenish it more often. Capable of printing 1,000 pages, this genuine Brother supply is guaranteed to keep your printer working at its best. When it's time to order your replacement printer toner, you can rely on Brother's TN2010 Cartridge to ensure your printer works with precision, so your printouts stay crystal clear.

Though it can be tempting to buy less expensive, non-branded supplies, you should remember that refills and other cheap toner cartridges can not only affect the quality of your prints but cause long-term damage to your printer.

This genuine TN2010 Toner Cartridge in Black keeps your machine performing just as it should, providing you with better value for money in the long run and impressive results, every time.
