

ARCTIC MX-6 heat sink compound

Artikel	131944
Herstellernummer	ACTCP00084A
EAN	4895213703949
ARCTIC	

Ensure the lowest thermal resistance with our award-winning thermal interfaces. Well known for its outstanding quality, our high-performance MX thermal compound is a regular winner in performance tests. It offers a very low thermal resistance due to its minimum bond line thickness and is easy to apply, even for beginners. Thermal pads in various designs and sizes round out the product range.
