

Honeywell Voyager XP 1472g

Artikel	132107
Herstellernummer	1472G2D-2USB-5-R
EAN	5706998898999
Honeywell	

We designed the Voyager: Extreme Performance (XP) 1470 series scanner for in-store retail workflows that require a highly accurate 1D/2D scanning solution in a durable form factor. Trust it for industry-leading scanning capability on traditional barcodes and digital screens –: even on damaged and difficult-to-read codes. Backed by a 5-year warranty for corded models, and a 3-year warranty for cordless.

For the same competitive price as their predecessor, the Voyager: XP 1470 series scanners offer you better durability and more powerful scanning capabilities than previous models –: or any competitive scanner in their class. They’re the perfect handheld scanner option for in-store retail workflows that include 1D and 2D barcode reading, and require a more robust and reliable solution. We designed the Voyager XP 1470 series scanners to help ensure a better experience for your retail employees and your customers. Their enhanced ability to read poor-quality and damaged barcodes can save everyone from a frustrating checkout experience. The extended scan distance will reach right to the bottom of the customer’s shopping cart, and the long Bluetooth range enables greater operational flexibility for line busting or peak season satellite POS stations.

The Voyager XP 1470 series scanners are ready for the rigors of busy, point-of sale scanning –: they’re engineered to withstand 30 drops at 1.8 m (6 ft) and 1,000 tumbles at 0.5 m (1.6 ft) –: all while providing much better accuracy than comparable solutions.

And because we built the Voyager XP 1470 series scanners on the platform of our iconic Voyager series handheld scanners, they’re fully backward-compatible with any Voyager accessories you already have, reducing your total cost of ownership.

Honeywell Voyager XP 1472g, Handheld bar code reader, 1D/2D, LED, Dot Code A, 1024 x 720 pixels, 0 - 100000 lx

Honeywell Voyager XP 1472g. Type: Handheld bar code reader, Scanner type: 1D/2D, Sensor type: LED. Connectivity technology: Wired & Wireless, Standard interfaces: Bluetooth, RS-232, RS-485, USB, Operating frequency: 2.4 - 5 MHz. Product colour: Black, Grey, International Protection (IP) code: IP52. Power source type: Battery, Battery technology: Lithium-Ion (Li-Ion), Battery type: Built-in battery. Weight: 210 g, Width: 173 mm, Depth: 62 mm

Merkmale

Logistics data

Harmonized System (HS) code	84716070
-----------------------------	----------

Operational conditions

Operating temperature (T-T)	5 - 40 °C
Storage temperature (T-T)	-40 - 60 °C
Operating relative humidity (H-0 - 95% H)	

Performance

International Protection (IP) code	IP52
LED indicators	Yes
Product colour	Black, Grey

Weight & dimensions

Width	173 mm
Depth	62 mm
Height	82 mm
Weight	210 g

Ports & interfaces

Connectivity technology	Wired & Wireless
Standard interfaces	Bluetooth, RS-232, RS-485, USB
Bluetooth version	4.2
Operating frequency	2.4 - 5 MHz
Cable length	30 m

Scanning

Type	Handheld bar code reader
Scanner type	1D/2D
Sensor type	LED
2D (matrix & stacked) barcodes supported	Dot Code A
Optical sensor resolution (W x H)	1024 x 720 pixels
Light levels (direct sunlight)	0 - 100000 lx
Pitch reading angle	-65 - 65°

Power

Power source type	Battery
Battery technology	Lithium-Ion (Li-Ion)
Battery type	Built-in battery
Number of batteries supported	1
Battery capacity	2400 mAh
Number of reads per charge	50000
Battery life	14 h
Charging time	4.5 h

Preisänderungen und Irrtümer vorbehalten. Alle Produkte solange der Vorrat reicht.
