Peace of mind comes built in with Galaxy SmartTag2. The slimmer design and larger loop allow you to attach it to a wider range of belongings, from keys to suitcases. If a tagged item does go astray, Compass View and AR Finder give precise directions to save you time when searching¹. The super long battery life lets you keep track of lost luggage for over a year, even if it gets rained on, thanks to IP67 water resistance². And with the new Lost Mode feature, whoever finds your item can tap the tag with their phone to see your information and reunite you with your precious possessions ASAP³.

1Available on Galaxy devices with UWB (Ultra-wideband) technology.
2Based on test condition for submersion in up to 1 metre of fresh water for up to 30 mins. Not advised for beach or pool use.
3Smartphone with NFC (Near-field communication) required.
