Logitech PTZ Pro 2 camera delivers premium optics and life-like video calls to create the experience of sitting together in the same room, even if you are a thousand miles away. It sets a new standard for high-quality, professional video with brilliantly sharp image resolution, outstanding color reproduction, and exceptional 10x HD zoom.

Performance enhancements in the PTZ Pro 2 camera include smoother pan and tilt motion and more consistent focus during zoom. The camera features lenses designed and manufactured by Logitech and engineered to provide unparalleled sharpness, color rendition, and speed in a variety of lighting conditions.

At half the price of comparable models, PTZ Pro 2 is the smart choice for large conference rooms, auditoriums, classrooms, healthcare settings, and other professional environments where clear, high-resolution video is a must.
