Synology DX517 disk array

Artikel	201509
Herstellernummer	DX517
EAN	4711174722679
Synology	

Effortless capacity expansion for Synology DiskStation solutions on-the-fly.

5-bay 3.5"/2.5" SATA expansion

Easily add 5 additional drive bays to Synology DiskStation. Supporting both 2.5" and 3.5" SATA drives, DX517 is a flexible solution supporting on-the-fly volume expansion or serving as a local backup destination.

Online volume expansion

Managed from DiskStation Manager on the host NAS, the additional bays in the DX517 are immediately ready to be used once connected. On-the-fly volume expansion ensures that storage and services on the host are not interrupted during volume expansion.

Hot-swappable drive tray design

The hot-swappable drive trays of DX517 allow easy drive installation and replacement without powering down the system. Screwless drive tray design reduces the time needed for system setup.

Dedicated local backup solution

Synology DX517 can be used as a dedicated local backup solution for the Synology DiskStation. When created as a separate volume, the DX517 provides a great backup solution to its local hard disks in case of system failure.

Synology DX517, 3.91 kg, Desktop, Black

Synology DX517. Chassis type: Desktop. Device class: Small & Medium Business. Number of storage drives supported: 5, Supported storage drive types: HDD & SSD, Supported storage drive interfaces: Serial ATA, Serial ATA II, Serial ATA III, Storage drive sizes supported: 2.5,3.5". Width: 248 mm, Depth: 233 mm, Height: 157 mm, Weight: 3.91 kg. Product colour: Black

Merkmale

Logistics data

Harmonized System (HS) code	84717020

Packaging content

Cables included	AC, eSATA

Technical details

Sustainability certificates	RoHS

Performance

Device class	Small & Medium Business
Compatible products	Synology DS1817+, DS1517+

Ports & interfaces

USB connectivity	N
eSATA ports quantity	1

Operational conditions

Operating temperature (T-T)	5 - 40 °C
Operating relative humidity (H-H)	5 - 95%
Storage temperature (T-T)	-10 - 70 °C
Storage relative humidity (H-H)	5 - 95%

Weight & dimensions

Width	248 mm
Depth	233 mm
Height	157 mm
Weight	3.91 kg

Power

Power supply unit (PSU) capacity	200 W
Number of power supply units	1
Power consumption (typical)	29.9 W
AC input voltage	100-240 V
AC input frequency	50 - 60 Hz

Design

Chassis type	Desktop
Product colour	Black
LED indicators	Alarm, Power, Status
Number of fans	2 fan(s)
Noise level	21.5 dB
Certification	FCC B, CE B, BSMI B

Storage

Storage drives installed	N
Installed storage drive type	N
Supported storage drive types	HDD & SSD
Number of storage drives supported	5
Maximum supported storage capacity	80 TB
Supported storage drive	Serial ATA, Serial ATA II, Serial

interfaces	ATA III
Storage drive sizes supported	2.5,3.5"
Hot-swap drive bays	Y
