

Corsair Vengeance memory module

Artikel	21287742
Herstellernummer	CMK192GX5M4B5200C38
EAN	0840006666752
Corsair	

CORSAIR VENGEANCE DDR5, optimized for Intel® motherboards, delivers higher frequencies and greater capacities of DDR5 technology in a high-quality, compact module that suits your system.

VENGEANCE DDR5

DDR5 MEMORY

WELCOME TO CUTTING EDGE PERFORMANCE

Push the limits of your system like never-before with DDR5 memory, unlocking even faster frequencies, greater capacities, and better performance.

OVER 5000MHz SPEED

DO IT ALL, AND DO IT FASTER

In the many-core era, the unprecedented processing speed of DDR5 ensures your high-end CPU gets data quickly with ease. Whether you are gaming, creating content, opening 100 tabs, or multi-tasking, your PC can power through complex tasks faster than ever before.

EASIER THAN EVER

ONBOARD VOLTAGE REGULATION

You have the power and the control. Built-in voltage regulation with iCUE software control makes for easier, finely-tuned output that provides more stable overclocking than ever.

OVERCLOCK IT YOUR WAY

CUSTOM INTEL® XMP 3.0 PROFILES

Ditch the tedious process of manually adjusting your performance settings each time when you save your own XMP profiles through iCUE.

COMPACT FORM-FACTOR

Low clearance ensures wide compatibility with nearly any DDR5 build.

HAND-SORTED, TIGHTLY-SCREENED MEMORY CHIPS

Ensures consistent high-frequency performance with aggressive timing options.

SOLID ALUMINUM HEATSPREADER

Conducts heat away from your memory quickly, with refined VENGEANCE styling to fit the look of modern systems.

HIGH-PERFORMANCE PCB

Guarantees signal quality and stability for superior overclocking ability.

WIDE COMPATIBILITY

Optimized for the latest Intel® DDR5 motherboards.

Corsair Vengeance , 192 GB, 4 x 48 GB, DDR5, 5200 MHz, 288-pin DIMM

Corsair Vengeance . Component for: PC, Internal memory: 192 GB, Memory layout (modules x size): 4 x 48 GB, Internal memory type: DDR5, Memory clock speed: 5200 MHz, Memory form factor: 288-pin DIMM, CAS latency: 38

Merkmale

Packaging data

Package type	Box
--------------	-----

Features

CAS latency	38
Internal memory	192 GB
Memory layout (modules x size)	4 x 48 GB
Internal memory type	DDR5
Memory clock speed	5200 MHz
Component for	PC
Memory form factor	288-pin DIMM

Memory voltage	1.25 V
Intel Extreme Memory Profile (XMP)	Yes
Intel Extreme Memory Profile (XMP) version	3.0
SPD profile	Yes
Cooling type	Heatsink
Backlight	No

Preisänderungen und Irrtümer vorbehalten. Alle Produkte solange der Vorrat reicht.
