

XPG LANCER BLADE RGB DDR5 memory module

Artikel	21295664
Herstellernummer	AX5U6000C3016G-SLABRBK
EAN	4711085944870
XPG	

SLEEK EFFICIENCY, COMPACT POWER

Compact Low-Profile Heatsink Design

The LANCER BLADE RGB boasts a low-profile heatsink that fits perfectly in smaller PC cases and avoids interfering with tower CPU coolers. Its sleek geometric lines add versatility and visual appeal to any case design.

RGB Your Way

Set the RGB lighting the way you want it. Choose from different effects (static, breathing, and comet) or sync the lights with your favorite jams via Music Mode. All this can be done through RGB control software from all the major motherboard brands.

Create Personalized Lightshow with XPG Prime

XPG Prime lighting control software not only allows you to set unique DRAM lighting effects, you can also sync all Prime supported XPG RGB products to create imaginative light shows and shape your own Prime ecosystem.

*After selecting Prime as your lighting control software, please be sure to close all other lighting control software from manufactures such as ASUS/ASRock/Gigabyte/MSI. Conflicts may occur when using Prime with motherboard RGB software. For details, please refer to the FAQ.

**If you wish to use Prime after installing MSI lighting control software, you must uninstall MSI software, turn off the power, and then reboot before installing and enabling Prime.

Enhanced Power Management

The XPG LANCER BLADE RGB DDR5 features a built-in Power Management IC (PMIC) that enhance power supply stability. It's lower operating voltage also make LANCER more power-efficient than DDR4.

Stability and Reliability

With On-die error correcting code (ECC), this DDR5 memory module can correct errors in real-time to provide increased stability and reliability.

Made with High-Quality Materials

High-quality ICs and PCBs ensure uncompromised performance and reliable overclocking, ideal for discerning gamers and overclockers.

AMD EXPO

Support for AMD EXPO (EXtended Profiles for Overclocking) and compatibility with the latest platforms for reliability and stability.

Overclocking Made Easy

With support for Intel XMP 3.0, get overclocking easily without the need to hassle with BIOS settings. There is no need to repeatedly adjust and fine-tune overclocking parameters.

XPG LANCER BLADE RGB DDR5, 16 GB, 1 x 16 GB, DDR5, 6000 MHz, Black

XPG LANCER BLADE RGB DDR5. Component for: PC, Internal memory: 16 GB, Memory layout (modules x size): 1 x 16 GB, Internal memory type: DDR5, Memory clock speed: 6000 MHz, CAS latency: 30, Product colour: Black

Merkmale

Operational conditions

Operating temperature (T-T) 0 - 85 °C
Storage temperature (T-T) -20 - 65 °C

Weight & dimensions

Width 35 mm

Packaging data

Package width	70 mm
Package depth	170 mm
Package height	12.2 mm
Package weight	60.02 g
Package type	Blister

Features

Depth	133.3 mm
Height	78.6 mm
Weight	41.11 g

Buffered memory type	Unregistered (unbuffered)
On-Die ECC	Yes
CAS latency	30
Internal memory	16 GB
Memory layout (modules x size)	1 x 16 GB
Internal memory type	DDR5
Memory clock speed	6000 MHz
Memory data transfer rate	6000 MT/s
Component for	PC
ECC	No
Memory ranking	1
Memory voltage	1.35 V
Intel Extreme Memory Profile (XMP)	Yes
Intel Extreme Memory Profile (XMP) version	3.0
AMD Extended Profiles for Overclocking (EXPO)	Yes
Product colour	Black
Cooling type	Heatsink
Backlight	Yes
Backlight colour	Multicolour

Preisänderungen und Irrtümer vorbehalten. Alle Produkte solange der Vorrat reicht.
