

Grandstream Networks GUV3000 headphones/headset

Artikel	216298
Herstellernummer	GUV3000
EAN	6947273703334
Grandstream Networks	

The GUV3000 and GUV3005 are HD USB Headsets that pair with laptops, computers, IP phones and other devices to offer high-quality sound. Ideal for remote workers and busy environments, these USB headsets feature a noise cancellation microphone that minimizes background noise to provide crisp HD audio. The GUV3000 and GUV3005 provide all day comfort thanks to adjustable headbands and soft ear cushions while audio is easily adjusted using the in-line controls. GUV series headsets are compatible with any device that offers a USB connection, including laptops and Grandstream IP phones. They support all major third-party communication platforms, apps and softphones as well as Grandstream’s IPVideoTalk Meetings and Wave app. By offering crystal-clear HD audio, comfortable use and wide compatibility, the GUV series is ideal for remote workers, call centers, receptionists, sales teams and more.
