

# Makita DBO180Z portable sander

---

<b>Artikel</b>	248195
<b>Herstellernummer</b>	DBO180Z
<b>EAN</b>	0088381658584
Makita	

- Compact design with a short height and a lower centre of gravity for easier handling and more manoeuvrability
- Excellent performance with high orbital speed and a 2.8mm orbit diameter
- Electronic push button switch: Start/Speed setting button, Independent stop button
- High dust extraction rate: Dust is extracted through a 8 hole under pad and collected into the dust box
- Dust nozzle can be set at 12 different angles every 30° from 0° to 360°
- Pad brake
- Connectable to Makita vacuum cleaners without adaptor
- Compatible with 1.5, 3.0, 4.0 and 5.0Ah Lithium-Ion batteries

Makita DBO180Z, Orbital sander, 2.8 mm, Battery, Lithium-Ion (Li-Ion), 18 V, 1.7 kg

Makita DBO180Z. Sander type: Orbital sander. Oscillating orbit diameter: 2.8 mm. Power source: Battery, Battery technology: Lithium-Ion (Li-Ion), Battery voltage: 18 V. Weight: 1.7 kg, Sanding disc diameter: 12.5 cm. Dust container type: Dust bag

## Merkmale

---

### Other features

Dust container type	Dust bag
---------------------	----------

### Weight & dimensions

Weight	1.7 kg
Sanding disc diameter	12.5 cm

### Power

## Performance

Oscillating orbit diameter 2.8 mm

Battery technology Lithium-Ion (Li-Ion)

Battery voltage 18 V

Power source Battery

## Features

Sander type Orbital sander

Dust extraction port Yes
