## Fast for better pictures, app performance and Full HD video

The SanDisk Ultra® microSD™ UHS-I card with SD adapter gives you the freedom to shoot, save and share more than ever before. With capacities up to 1TB1, our SanDisk Ultra microSD card has room for even more hours of Full HD video and delivers transfer speeds of up to 150MB/s2 to help you move that content fast. Ideal for Android™ smartphones and tablets, the card loads apps faster with A1-rated performance.

### Ideal for Android™ Smartphones and Tablets

SanDisk® cards are compatible with Android™ smartphones and tablets.

### Load Apps Faster with A1-rated performance

Rated A1, the SanDisk Ultra® microSD™ card is optimized for apps, delivering faster app launch and performance that provides a better smartphone experience.

### Capture and Store Even More Hours of Full HD Video

With capacities of up to 1TB1, you can store even more hours of Full HD video on the card and still have room for the videos, photos, music, movies and other files you want to shoot, save and share.

### SanDisk® Memory Zone™ App for Easy File Management

Available from the Google Play™ store, the SanDisk® Memory Zone™ app lets you view, access, and back up your phone's files in one location. It can also automatically move files from your device to your memory card to free up space.

### Transfer Speeds of up to 150MB/s2

Blazing transfer speeds mean that your content moves fast letting you move up to 1000 photos in a minute [32GB-1TB].

### Compatible with MobileMate® USB 3.0 Reader

Use with the MobileMate® USB 3.0 microSD™ card reader so you can move big files fast, move a lot of files fast or just make frequent file transfers that much quicker.
