Innovative

Best G DATA protection for Windows: Our brand new DeepRay® and BEAST technologies use artificial intelligence and behavioral analysis to detect camouflaged and previously unknown malware.

Simply cleverer

Photos, videos, documents: Back up your data automatically and save the copies on your PC or in the cloud. Now nothing can go wrong.

No need to remember passwords

Password123? Better not. Our password manager remembers all your passwords for you and creates new ones on demand that can't be cracked.
