

Jabra Evolve2 85, MS Stereo

Artikel	494897
Herstellernummer	28599-999-989
EAN	5706991023299
Jabra	

Don't hide when you're in your stride.

We've taken our busylight to a whole new level, making it visible from any direction. The red light is automatically activated when you're on a call or in a meeting, or you can activate it yourself at the touch of a button. So, even when you're right in the middle of everything, your busylight will protect you from all angles, and all interruptions.

It's like having a built-in security guard for your concentration.

Bigger speakers. Better sound. Boom.

We've built this headset with powerful leak-tolerant 40mm speakers. Factor in our advanced digital chipset and the latest AAC codec, and your music will be sounding better than ever.

Good things come to those who wait. This is the audio experience you've been waiting for.

It's your call...

We know that being heard and understood with absolute clarity keeps your calls seamless and professional. So, we took the incredible call performance of our world-leading Evolve Series, and we made it even better by building in 10 microphones (yes, 10), powered by that advanced digital chipset we keep talking about, for outstanding call quality, every time.

Because when you're making an important call, clarity is everything.

UC-certified means UC-satisfied.

Satisfaction guaranteed isn't something you hear very often these days, but we're bringing it back.

Evolve2 85 is available in a Microsoft Teams-certified variant, and a UC variant which is certified for Google Meet to ensure a seamless collaboration experience.

It's also optimized for other leading UC platforms, so you can be confident that however you keep in touch with your team, this trusted device will keep the collaboration going all day.

Hear the difference

We used our state-of-the-art sound lab to simulate a noisy office environment, with an office speech soundtrack played back through a speaker in a dummy head. Then we tested each product in exactly the same way as the same office soundtrack played, recording the microphone performance, to show how the call would sound to whoever you're talking to.

Long week? We've got you covered.

When you finally find a headset that you just can't do without, it's good to know you don't have to. We've used our advanced battery efficiency technology to squeeze every last minute of juice out of this powerful headset. The result is an industry-leading 37-hour battery life (powered by that mighty little chipset again).

And because we like to cover all bases, there's always the handy charging stand – just in case.

Rest assured; Evolve2 85 will get you through the week.

Upgrade to business class.

We took biometric measurements of hundreds of heads to create a perfect design that adjusts to fit every size and shape. Then, we added soft memory foam ear cushions to make it supremely comfortable; so comfortable, you'll forget it's even there. Finally, we assembled it using durable, premium materials.

It's comfort that's in a class of its own.

Thinking outside the box.

As far as things in boxes go, this is kind of a big deal. Before you've even unboxed it, you're holding a pioneering piece of tech that's leagues ahead of any other headset. But because we have one eye on the future, firmware upgrades and value packs are already on the way to boost it even further.

If you think it's great now, just wait...

Business. Casual.

Move seamlessly from the office to on-the-go, with a contemporary casual design and a discrete hidden boom arm that still guarantees exceptional professional sounding calls, even when tucked away.

So when you're on the go, only you'll know you're working.

Jabra Direct

Jabra Direct makes sure that your headset always has the latest firmware, guaranteeing you'll have the most up-to-date features, bug fixes and easy access to compatibility updates. With the user-friendly Direct Dashboard, staying current has never been easier.

Storage temperature (T-T)	-5 - 45 °C

System requirements

Windows operating systems supported	Yes
Mac operating systems supported	Yes
Mobile operating systems supported	Android, iOS

Weight & dimensions

Width	160 mm
-------	--------

Microphone

Microphone type	Boom
Microphone frequency	5 - 20000 Hz
Microphone sensitivity	-35 dB
Folding microphone	Yes
10-microphone technology	Yes
MEMS (Micro-Electro-Mechanical System) microphone	Yes
Microphone mute	Yes

Headphones

Maximum input power	50 mW
Ear coupling	Circumaural
Acoustic system	Closed
Headphone frequency	20 - 20000 Hz
Headphone sensitivity	117 dB
Driver unit	4 cm
Noise canceling	Yes

Depth	77.3 mm
Height	1986 mm
Weight	286 g

Packaging data

Package width	227 mm
Package depth	188.5 mm
Package height	92 mm
Package weight	902 g
Package type	Box

Battery

Battery technology	Lithium-Ion (Li-Ion)
Continuous audio playback time	32 h
Rechargeable battery	Yes
Talk time	21 h
Battery charge indicator	Yes
Battery recharge time	2.3 h

Logistics data

Harmonized System (HS) code	85183000
Master (outer) case width	250 mm
Master (outer) case length	390 mm
Master (outer) case height	300 mm
Master (outer) case gross weight	6.01 kg
Products per master (outer) case	6 pc(s)

Noise canceling type	Active
----------------------	--------

Packaging content

Audio adapters included	Flight
Quick start guide	Yes
Receiver included	Yes
Wireless receiver interface	USB Type-A
Carrying case	Yes
Cables included	Audio (3.5mm), USB Type-C to USB Type-A
Ear pad material	Faux leather
Quantity	1

Ports & interfaces

Connectivity technology	Wired & Wireless
3.5 mm connector	Yes
USB connectivity	Yes
USB connector	USB Type-A
Bluetooth	Yes
Bluetooth profiles	AVRCP
Bluetooth version	5.0
Wireless range	30 m

Other features

2.5 mm connector	No
Bluetooth Low Energy (BLE)	Yes
Voice guidance	Yes
Voice guidance languages	English
Call management	Y
Applications supported	Jabra Sound+
Power consumption (standby)	500 mA
Charging base	Yes
Voice control	Yes
