Inter-Tech	

- The Argus APS-620W – ideal for sophisticated office and gaming solutions
- The Argus APS-620W provides the customers with a high efficiency of at least 82% and therefore protects environment and wallet.
- Thanks to the efficient construction and the ideal configured connector layout the APS-620W provides with sufficient performance for the connected components.
- The yellow 120mm fan works silently and ensures an optimal cooling of the power supply.
