Complements your Surface

Sculpted for your hand and designed for an elegantly simple work space, Mouse is the perfect partner to your docked Surface and Keyboard. It was designed to match the sleek aesthetic and exceptional performance of your Surface. The metal scroll wheel feels solid under your finger, and the shape of the body fits perfectly in your hand.

Exceptional accuracy

Mouse is designed to have premium precision pointing and clicking for scalable performance across the screen of your Surface and external monitors.

Carefully crafted experience

With precision-tuned sound for clicks and scrolling, Mouse is quiet enough to not be heard while quickly responding to your touch.
