

Sharkoon VS4-V

Artikel	725711
Herstellernummer	4044951016037
EAN	4044951016037
Sharkoon	

The VS4 case stands out due its versatile features at an attractive price. The all-black ATX case in its Value Version provides two USB 3.0 connection options in the front.

Generous space:

Thanks to the provided side panels the VS4-S offers space for the hassle-free installation of tower coolers with a height of up to 16 cm. Graphics cards with a maximum length of up to 31/38.5 cm (after removing the SSD hard drive cage) can also be mounted. A total of up to seven expansion cards can be installed. The maximum length for power supplies is 25 cm; a suitable dust filter is pre-installed on the bottom. The VS4-V also offers installation openings for a CPU cooler, two openings for optional water cooling as well as a comfortable cable management system.

Fan configuration:

A 120 mm fan and provided dust filter pre-installed in the front. In order to further strengthen the air flow inside the case, an optional 120 mm fan can also be mounted in the front. The rear panel offers the installation possibility for a 120 mm fan; two additional 120 mm fans can also be mounted on the side panel.

Front connections:

Two USB 3.0 ports and two audio ports in the case front offer quick access for connecting peripherals.

Installation options for drives:

The ATX case offers three 5.25" drive bays for optical drives (two of which are equipped with quick fasteners) or two 5.25" drive bays and an externally accessible 3.5" bay. Here, for example, a card reader can be fitted quickly and easily. Internally, three 3.5" hard drives with the quick fasteners can be installed. In the second mounting frame can three 2.5" HDDs/SDDs be installed, in the bottom of the case there is space for an additional 2.5" HDD/SSD.
